

OUR MISSION

Leading Iowans to protect, restore, and enjoy our rivers.

OUR VISION

We envision healthy, free-flowing rivers that connect Iowa's communities and provide access for all to use and enjoy.

How to get involved

- ☐ Sign up for our email list
- ☐ Join our Service Squad
- ☐ Become a river advocate
- ☐ Donate
- ☐ Become a member
- ☐ Follow us on social media

SCAN ME

Iowa Rivers Revival

Dedicated to protecting Iowa's rivers and streams.

IOWA RIVERS REVIVAL
PROTECT. RESTORE. ENJOY.

OUR WORK

Advocacy

We advocate on behalf of our members with a unified voice to speak up and speak out about the importance of the quality of our rivers and related natural resources. Rivers cannot speak for themselves, we must stand up to speak for them.

River Advocacy

Get Action Alerts and connect with local legislators about IRR's priorities by signing up on our website.

Education

We educate the public on river issues and other natural resource concerns.

River Town of the Year Award

Given each year to a community that is committed to protecting and promoting their river as a community asset. Some of the most recent winners include Ames, Webster City, and Elkader.

Service Squad

Join our program where we take direct action on water quality to clean up our rivers and streams. We collaborate with community partners to activate a robust volunteer network of river advocates across Iowa, while also providing opportunities for education on water quality that is accessible for the whole family.

River Restoration

We promote the restoration of Iowa's rivers and streams to healthier, naturally-functioning ecosystems.

IDNR River Restoration Toolbox

In partnership with the Iowa Department of Natural Resources, we train designers and other environmental professionals in stream stabilization and restoration projects in Iowa with proven techniques with emphasis on incorporating natural materials.
